

STC ITEMS IN THE STATE LIBRARY OF NEW SOUTH WALES

THE FOLLOWING LIST is of STC items to be found in

- (a) The Rare Books Section of the General Reference Library, 300 titles,
- (b) The Mitchell Library (M), 154 titles, and
- (c) The Dixson Library (D), 24 titles.

The items under (a) were identified from lists recently compiled by Rose Smith, the (b) holdings from the pre-1801 titles extracted from the Mitchell Library's 38-volume printed *Dictionary Catalog* by sundry lynx-eyed volunteers over the last three years. The information on (c)'s share of the total came from the Dixson Library's own chronological listings.

References from the sequence before 14045.5 are to the first edition of STC (*A Short-title catalogue of books printed in England, Scotland & Ireland and of English books printed abroad 1475-1640*, compiled by A.W. Pollard and G.R. Redgrave, London, 1926), references from the sequence 14045.5 onwards from volume 2 of the second edition (revised and enlarged by W.A. Jackson and F.S. Ferguson, completed by K.F. Pantzer, London, 1976).
